Thank you for volunteering to be a Marshal for the Trakz event on Saturday 22nd April 2017.

Please could you attend the **Marshal Briefing** at **The Old Station Hotel (Killer)** at **6.30pm on Wenesday 19th April**. If you cannot attend there will be a brief on the morning of the Festival at 8am. The marshal rota is available if you click this page. The event programme is available in digital format on this website.

Marshals may be asked to assist stallholders with set up in order to get cars away from the site in a timely manner. We ask if all marshals could carry some programs with them to sell if possible. Please try to sort out any problems at the brief so that the day can run smoothly.

If you have any problems we have a grievance policy which you can see if you like. Thank you once again for supporting you are welcome to refreshments which will be available at the Trakz HQ on Glyn y Marl Road (opposite Enochs).
